

The December 5 GLApHC meeting was held at Linda Benjamins' home.

Attending were Chuck and Jan Schroeder, Rusty Miller, Pattie McCartin, Linda Benjamin.

Minutes and the treasure's report were approved. Balance in checking \$23,487.50.

Show report- Agreed that the add for the Journal and corral be similar to last year. Chuck will check with U. of Findlay if they have any changes of the logo or picture to use in the add. Changes of dates, judges, directions with address of the Western facility will be on the add. Show bill and details of the show will have to be updated for the web site. Final details for the show will be decided at our next meeting on Jan. 9th.

The year-end high point standings are on the web site. Thanks to Karen Mamajek and Tom Harmon for your work on this on this very important project.

Membership- updates have been made on the web form and in the corral. - 115 members  
Tom and Betty Springer were honored by The Appalachian Appaloosa Horse Association. They were inducted into the Ohio Appaloosa Historical Hall of Fame for their dedication and promotion of the Appaloosa breed. Congratulations! Also, MIGHTY MARSHALL, a stallion that was owned by Roger Klamfoth, former ApHC CEO and director, was put in the hall of fame for being the sire of many futurity and club champions and a Reserve National Champion Stallion. More information on these inductees will appear in future publications.

Swap meet report- Linda reported that she met with Judy to go over many suggestions and details that will help her with this large undertaking of managing this event. She will have her husband Gary, put the spaces on a cad computer spread sheet so Brian and Chuck can have measurements and positions of the spaces. Information and reservation forms were ready to be sent out to anyone who had reserved a space the last two years. At the end of the meeting all the envelopes were stuffed and ready for sending. Porta johns will be ordered with the addition of one for the handicapped. There will be the same two food booths. Discussion was held about the best place for a possible dressing area. The area leading to the horse stalls on the south side is a space that was not used so, Rusty suggested putting a pop up tent there. We all agreed to not have a "dog sale" area and encourage people not to bring dogs. (exception Judy's poodles) Volunteers will be needed to work at the doors. The U of Findlay B and B club will be available to help.

Old business:

Banquet and awards are being planned by Pattie. She met with Ann to get advice and names of vendors for labels, etc.

Names of officer and board member nominations are needed to be put on the agenda for our annual meeting. Chuck has the names of several members that are interested in serving. The annual meeting will be at 3:30 PM, Saturday the 5th of February preceding the Awards banquet. We hope all our members can come and participate. Information will be sent out after our next meeting on Jan. the 9th.

New business :

Discussion was held about the entry office at our Quad-A-Rama show. We all agreed that the office needs to run efficiently and be exhibitor friendly. We needed more help at times in the office so we hired a U of F student which really helped. Diana also reported she needs more help with judges cards before and after the show and help with reports. Rusty had talked to the people that run the Michigan shows and suggested we contact them for what they would charge and what their services would be. We did the same for Chad Williams and his wife, who manage show offices. We all agreed we should look into their services and consider these options. Both are available for our show dates. Further discussion and a decision will be at our next meeting.

Meeting adjourned at 3:15. Next meeting is at the U. of Findlay Western farm on Sunday January 9th.

MERRY CHRISTMAS AND A HAPPY NEW YEAR!!
